Re: C.R. Laurence Economic Stimulus Package

2503 E. Vernon Avenue
Los Angeles, California 90058-1897

Dear Valued Customer:

Phone (323) 588-1281
Fax (323) 581-6522

As a business person, I don't need to tell you the economic conditions we find today are radically different from those barely one year ago. At CRL, we've always had the philosophy that all businesses operate within the same economy, so when times get tougher we simply need to be more creative and work harder to develop and grow our business.

To that end, we are pleased to announce our own "economic stimulus program" for the glazing industry. Enclosed is the latest literature on our ever-developing product line, including:

- GB10 Glass Bonding Catalog- CRL's newest entry to an exciting growth area for the glass industry
- SD10 Frameless Shower Hardware Catalog- The latest edition of our industry-leading offering in the frameless shower and bath hardware market
- LP10 Commercial Door Handles Catalog- Our expanding selection of door pull handles and locks for commercial doors
- SS09 Spring and Summer 2009 Screen Sale Catalog- Featuring discounted prices on our entire selection of screening supplies and tools

In addition to these great new product catalogs, you'll find our June and July 2009 Product Showcase, offering discounted prices and new products never before offered by CRL. These savings extend to many of the high value products you use day-to-day, and can help enhance the profitability of your business. There is also a feature on Somaca/CRL Machinery, and discounted prices for selected machines in stock and ready to ship.

We invite you to visit us at crlaurence.com or at one of our 20 North American warehouses. Call us at (800) 421-6144 or contact us on our toll free fax number (800) 262-3299 for more information on these and other offers we are currently featuring. And be sure to sign on to crlaurence.com regularly, where we feature 'Internet-only' special offers for qualifying orders placed through our Online Catalog.

As always, we appreciate your business and look forward to many more successful years working with you.

Sincerely,

Lloyd W. Talbert
President
