

New Website Feature

Inventory Status, Availability & Regional Stock Checks

NEW WEBSITE FEATURE

In an effort to create a seamless purchasing experience with CRL, newly updated product pages now highlight inventory levels, product availability, and provide regional stock-check purchasing options.

At-a-Glance Inventory Levels and Availability

Displayed on each product page, the product inventory feature shows quantities in stock at nearby locations as well as expected restock dates for items with no inventory.

	Branch Location	Quantity	Available Date
Closest location highlighted in yellow →	Los Angeles, California	440	Now
	San Diego, California	6	Now

Regional Stock Checks

Want to expand your search options?

To search other nearby branches for inventory, just click on the link shown below on the product page and an expanded selection of locations and inventory will be displayed.
