

Standard Materials

LIMITED WARRANTY AND LIABILITY

United States Aluminum (“USAL”) warrants for a period of two (2) years from the date of shipment that the materials supplied by USAL shall be free from defects that substantially impair product operation or performance, provided that the materials are used in an appropriately designed application and are installed and maintained in strict accordance with all applicable safety codes, building standards and USAL’s recommendations. This warranty is limited to defects appearing within two (2) years from the date of shipment and written notification defining such defect must be received by USAL within that two year period.

USAL’s sole responsibility to provide a remedy under this Warranty shall be limited to either a refund of the purchase price of the product, or to repair or provide a replacement of the product. The refund, repair, or replacement shall constitute the limit of USAL’s liability and obligation for any material defect or defect in workmanship in the product. USAL reserves the exclusive right to select any one of the above mentioned remedies.

This Warranty is exclusive, and USAL makes no other warranty, express or implied, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. In no event shall USAL be liable under any legal theory (including but not limited to contract, negligence, strict liability in tort, or warranty of any kind) for any indirect, special, incidental, consequential, or exemplary damages (including, but not limited to, lost profits).

THIS WARRANTY SPECIFICALLY EXCLUDES ENTRANCE DOORS WHICH EXCEED OUR MAXIMUM RECOMMENDED SIZE OF 48” X 96”.

Warranty of Outside Suppliers—Items manufactured by others and supplied by USAL carry the manufacturer’s warranty only. In replacing defective items manufactured by others, USAL is not responsible for charges relating to freight or labor.
