Floor Mount
Freestanding H-Post Barrier

The Freestanding H-Post Barrier is designed to maintain maximum visibility, while delivering a sturdy, long-lasting barrier solution. With a brushed aluminum center post and stainless steel hinges and base, this modern fixture is ideal for high-end interior and exterior applications. The hinges offer hold-open and hold-close options to provide greater flexibility.

Additional Benefits Include:

- Slim Square Post Design
- For use with 1/4" to 5/16" (6 to 8 mm) Acrylic or Glass Panels
- Multiple Panel Configurations on a Single Post
- Hold-Open and Hold-Close Panel Swing Positions
- Easy to Assemble
- Easy to Clean and Disinfect
- Durable Aluminum Post with Stainless Steel Hinges and Base
- Stock or Custom Heights Available
